SOUTHERN PUBLISHERS.

How They Will Be Entertained in Houston Next Week.

THE GEORGIA SOCIETY WILL HAVE CHARGE

After Session Here the Newspaper Men Will Be Taken to Galveston, San Antonio and Austin.

Houston will entertain a body of representative Southern newspaper men next Tuesday.

The Southern Publishers' association will meet here on January 15 and the seasion will probably last two days.

The programme they have issued indicates that they will transact a great deal of business while here, but nevertheless they will doubtless first have to take advantage of the entertainment that Houston citizens are preparing for thom. During their stay to this city they

will be entertained under the auspices of destined to be one of the greatest factors the Georgia society, the members of in atimulating the rapid and complete which organization have kindly volun- development of this portion of the State teered to take charge of this feature that could be conceived. of their visit. This society being strictly a Southern one it is peculiarly ap-

The committee of arrangements an nounced by the Georgia society is an follows: Edgar Wetkins, chairman, W. H. Lloyd, C. A. Metchner, B. R. Warner, Oliver Cranston, J. C. Vigal, Dr. O. F. Gambatti, W. B. King and P. A. Hervy, Sr.

Captain D. D. Peden of the wholesale firm of Peden & Co. is president of this society, and he and all fembers of that body are deeply interested in the proposed entertalument.

The newspaper men who will be nere will be to the interest of Houston to see that they are given a good impressee that they are given a good impresignations are authorized to send delegates next week are an influential scarond it sion of this city, consequently it is he, and the temperary president, Mr. F. N. Beved that the citizens generally will unite with the Georgians in giving them a hearty welcome.

The business session of the association wiff be held at the Elks' club rooms in the Binz building, the members of that ment that would be calculated to acorder having kindly extended the in-complish more for the general unbuilding

of the editors and publishers while in the word be the natural result of such organization. South Texas is a wonderful section from the view point of the agriculturist and horizontarist, out it is held by many that the quality of the large stock needs uphulding. I entertain this belief myself, for it is a well known fact that the class of stock that

entertainment committee by Hon. come rivalry among producers, where of the boat will be supplied with music and refreshments. It is expected that quite a number of Houston's prominent citizens, both ladies and gen-tlemen, will accompany the visitors on this trip.

A portion of the day will be spent in Galveston, and the return trip to Houston will be made on the evening train Thankful for Favors Shown During of the Gaiveston, Houston and Northern. From here the city's guests will be taken to San Antonio, spending one day and night in that city. Leaving San Ango to Austin via the International and Great Northern, reaching the Capital City about 9:30 o'clock. A little over three About 9:30 o'clock. A little over three hours will be spent there and then the 1 p.m. train via the Houston and Toxas Central will be taken for the tfip from Austin to Houston, reaching this city at 7 o'clock in the evening in time to make close connections with the Southern Pattern Connections with the second pattern Connections with the second pattern Connections with the second pattern Connections with the Houston and Toxas Control cine and Houston Bast and West Texas trains east.

The excursions over the Galveston, Houston and Northern, Southern Pacific and Houston and Texas Central reads have been arranged through the courtesy of Mesers, S. F. H. Morse, L. J. Parks and M. L. Robbins, and the trip from San Autonio to Austin has been tendered by Mr. D. J. Price, general passenger agent of the International and Great Northern.

On the railroad itinerary the party will be in charge of Mr. H. M. Mayo of the Sunset lines and Mr. George D. Hunter of the International and Great Northern.

Permanent Organization of South Texas Live Stock Association to Be Effected on Wednesday.

The meeting to be held at the rooms of the Business League in Houston next Wednesday for the purpose of effecting the permanent organization of the South Texas Live Stock association, will likely be one of much more than ordinary importance to the people and industries of tion of the association and the accomplishment of its objects are intended and

The formation of the association is directly due to the magnificent showing propriate that it should prepare a welcome for an association of Southern
newspaper men.

The committee of lly effected while the Pestival was in progress. The progressive citizens of the section came to Houston and, seeing the fine displays of the products of the lands and industrial enterprises, determined to get together in a general effort for still greater achievements, with the result that a temporary organization was tormed. And the permanent organization

is now proposed for an early day.

The organization of this association is a source of congratulation for the entire spiritedness that has thus far characterized their actions. Faere will no doubt be a large attendance at the meeting on Bullock of Columbia, also has authority

vitation to meet there. Mayor Brashear and development of South Texas than and development of South Texas than would be the organization of the South Texas than would be the organization and the holding of a strictly up-to-date fair next than the was with Major Converse in Callibration of the programme for the entertainment tall, which would be the natural result weeks ago.
